### ALEXANDER O. TUAZON, M.D.

President  
Philippine Pediatric Society  
52 Kalayaan Avenue, Brgy. Malaya  
Diliman, Quezon City

Dear Dr. Tuazon,

The Medical Journal of the Philippine Medical Association is again renewing its call for publication from the various medical societies and institutions, to submit scientific articles and original research papers. The Journal is integral to our goal of maintaining the status of PMA as an organization imbued with academic vigor and professional advancement, comparable with the best in the field, and truly representative of an esteemed and progressive vocation.

Please submit both Soft Copy and Printout, in a brown file envelope, labeled "For the PMA Medical Journal" together with your contact information and your society to PMA (2/F Philippine Medical Association Building, North Avenue, Quezon City). The abstract and uniform bibliographic entries are expected. Likewise, the appropriate citations for both author and institution should be included, and if any, the significant accomplishments of the research work (e.g. any award received).

The deadline of submission for this coming issue is end of January 2018.

Thank you very much in anticipation of your most favorable response.

Yours truly,

  
**ALEX J. B. ALIP, JR., MD**  
Editor-in-Chief, PMA Journal
